NOTE

The Accounts of the Trade and Navigation of Aden have since the year 1908-09 been incorporated in Volume II of the Annual Statement of the Sea-borne Trade and Navigation of British India with the British Empire and Foreign countries. But as the latter compilation for the years 1911-12 and 1912-13 has been recast and set up in foolscap form and as similar revision could not be carried out in the Aden Accounts, it is found expedient to issue them as Supplement to the Annual Statement mentioned above. They will, however, be brought into line at the time of the next issue, and they will again be incorporated in Volume II of the Annual Statement as before.
